NITK workshop

Central Library, NITK Surathkal, organised an author workshop on 'Unveiling the IEEE Open Access Publishing: NITK Initiative' for faculty and research scholars, in collaboration with the office of the dean (research & consultancy), recently. The workshop was conducted at Digital Learning Centre, e-Library Complex in hybrid mode (online and offline), with more than 90 PhD students and

faculty members participating. NITK Surathkal is the first institute among all NITs to sign an agreement with one of the top publishers IEEE, to publish open access articles. All the articles published under this new agreement will be kept open for the whole world to access freely.
