

State-of-art synthetic tennis court inaugurated at NITK

ENS @ Mangaluru

THE National Institute of Technology, Karnataka (NITK) Surathkal, inaugurated Prof A S Adke Tennis Academy Court 1. It was constructed and donated by the KREC batch of 1973, marking their golden graduation year of 2023. The tennis court has been constructed as per International Tennis Federation (ITF) standards using synthetic materials. The event was presided over by Prof B Ravi, director of NITK, while Prof Udaykumar Yarangatti was the chief guest. Prof B Ravi expressed his gratitude, stating "This generous contribution

from the KREC batch of 1973 not only enriches our sports facilities but also serves as an inspiration for our students. The dedication and commitment shown by the entire batch of 1973 is a shining example of the spirit of giving back to the institution. This state-of-the-art tennis court will not only foster the sporting talents of our students but also instil in them the values of perseverance, teamwork, and dedication." Dayananda Surathkal, an alumnus from the batch of 1973 put tireless efforts and keen oversight from day one until the project's completion were instrumental in bringing this project to fruition.
